

What is an Association/Building Rep Does?

How many reps should a worksite have?

- An association rep represents 20 members in the worksite. A building with 5 members is entitled to 1 rep. A building has 21 members is entitled to 2 reps.

Responsibilities

- Serve as the face and voice of the union at your worksite
- Provide updates to the membership
- Represent the building membership in union meetings, informal conversations

Expectations

- Attend Representative Assembly meetings (August, October, January, March, May)
- Hold 10-minute member meetings after each Representative Assembly
- Serve as the building contact/resource.
