BALTIMORE COUNTY PUBLIC SCHOOLS

Time Management System Wins

**Elimination of
lunch punch**

**Ability to clock in
and out from a
variety of devices**

Sick Leave Bank

- The details around the USLB separation were agreed to through mediation as an MOU in August 2021
- ESPBC separated from the USLB effective July 1, 2022
- By ESPBC having a separate Sick Leave Bank (ESLB)
 - ESLB applications reviewed by ESPBC members, instead of BCPS
 - Appeals of ESLB decisions go to ESPBC Board, instead of BCPS
 - Leave usage calculations for future assessments will be based on ESPBC member usage, instead of the usage of other bargaining units

Inclement Weather

- ESPBC won the right for 12-month employees to request to work remotely on inclement weather days when schools are closed, and offices are open.

Acting Positions/Coverages

- Any member who covers for another ESPBC bargaining unit member will receive additional pay for performing the duties of another bargaining unit member for more than 1 week.
 - Ex: If the administrative secretary is covering the work of the office secretary for more than a week, then the administrative secretary will be compensated for covering the work of the two employees. This is a win because in previous years, employees were only paid if they were covering for employees of a higher pay grade.

Pay for Office Professionals

- ESPBC won parity for office professionals working outside of their normal day work. Office Professionals will be paid their hourly rate when working outside of their normal duty day (i.e. summer school and night school).
 - Ex: Office professionals who work summer school used to be paid \$14.59/hour. Effective 7/1/2022 office professionals will be paid their regular hourly rate.

- 9/28: ESPBC and BCPS formally renegotiated over the funds provided by the County Executive
- 10/6: ESPBC and BCPS reached a new agreement on 2022-2023 wages
